I do not want an extension to the emergency bill!  
I have been segregated from society like a criminal.  
I cannot work as a teacher - even though I have a teaching degree and a uni debt!  
It has put a strain on my family emotionally and financially.  
The Covid data has been exaggerated. And even so it's no longer a strain on our health system. It's not as bad as the flu.  
You cannot allow this extension as there is no emergency!  
Thanks  
Bree Ryan
