Subject: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS) AMENDMENT BILL 2022
Date: Thursday, 3 March 2022 6:57:29 AM

I am writing to express my concern over the proposed further extension of Emergency Power from April 2022 to October 2022. Queensland has been the longest state be under these extraordinary powers. Covid-sars 19 is not a public emergency. I wholeheartedly believe that we should not extend the state of Emergency powers. The mandates and mask wearing should be stopped immediately. Medical apartheid should cease in our state.
