Subject: Extension to Emergency Bill
Date: Thursday, 3 March 2022 10:28:26 AM

To whom it may concern,

I am writing to ask that the Extension to the Emergency Bill (until October 2022) be dropped and NOT PASSED and the continuation of the bill in place to end.

I have lost my job due to the vaccination mandate and I do not believe that my skills and worth should come down to a vaccination status and the uptake of a vaccine that's causing many adverse reactions and with no long-term data behind it.

Our county is crying out for there to be peace and solidarity and for the division and segregation that's currently going on to end.

Please put a stop to this for our children's sake.

Kindest regards,

Ra-cheal Jones
