Dear Community Secretary

RE: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS)  
AMENDMENT BILL 2022 (BILL)

I DO NOT support the Bill nor the extension of the state of emergency( until 31st October 2022). If this goes ahead, Qld would have been under a SOE for almost 3 years.

This state of emergency creates more problems than the disease itself. Now with the current situation of flooding in Qld the people can not take any more.

.small businesses have been affected and devastated from the lockdowns and mandates forced on them

.a huge rise in mental health problems since March 2020.

.the disintegration of trust in our public institutions

.the freedoms of rights and speech are being suspended

.thousands of jobs have been lost including mine because of mandates forced on the people.

Regards,  
Penelope Thompson
