Subject: Please don't extend
Date: Thursday, 3 March 2022 12:12:12 PM

Our school is about to lose some of the most amazing teachers who have struggled in the past (and present!) with cancer and other various medical complications.

Please don't mandate them!

Please don't extend Queensland governments powers!

Schools are no longer high risk! No one I speak to can see any sense in this!!

Thank you

Kelly DeVries
