Dear Sir/Madam,

I wish to let you know that I DO NOT want to see an extension to the Emergency Bill (until the 31st of October, 2022).

There is no need for these powers to be extended as the deaths from Covid 19 in Queensland have been exaggerated as shown by the ABS data.

- \* People and business must be allowed to continue to work without the threat of lockdowns constantly.
- \* People should be able to choose to be vaccinated and *not co-erced* to keep their jobs.
- \* Mandatory vaccines *have not stopped* the spread of Covid 19.

Kind Regards

Jennifer Brown
