Subject: Objection to: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS)
AMENDMENT BILL 2022

To whom it may concern,
Committee Secretary

My name is Kaitlyn Sampson, I am a resident of QLD. I am objecting to the extension of the SOE.

It is time to practice what you preach and for life to return to normal. This does not mean returning under an extended state of emergency where there is no security in what you say as a government as you can change your mind without hesitation under SOE.
