Subject: Do Not Extend the Emergency Bill
Date: Thursday, 3 March 2022 1:03:46 PM

Hello

I am writing to you today to express that I do not want the emergency bill extended. The time has passed for severe measures and hard controls that over reach our civil liberties.

As countries around the world open up and lift all restrictions who are in similar situations it is beyond belief that we are considering this extension. My family and I want a return to normality and not a continuation of the uncertainty that has been our lives for the past few years.

My hope is that we all move forward without this extension.
