To whom it may concern

THE extension of the emergency powers related to Covid 19 CAN Not be extended.

* because the data from the ABS related to Covid deaths and rates has been exaggerated.

*the omnicron variant is a mild disease

* it can be treated at home with off the shelf treatments

* we the community are encouraged to treat the disease at home.

* mask mandates have been dropped.

* if another variant mutates it will be milder, as this is what past scientific evidence shows.

* Qld fir fighters variation mandate has been dropped.

* Gold Coast council mandates have been dropped.

* overseas data and mandates have been reduced.

Please DO NOT extend the emergency powers related to Covid 19.

Yours sincerely

Brenda Sorrell
