Subject: Do not agree to extend Emergency Bill
Date: Thursday, 3 March 2022 1:11:30 PM

To whom it may concern,

I am writing to inform you that I do not agree with the extension of the Emergency Bill. I believe that the emergency of Covid is over and with such high vaccination rates within Queensland, there is no further need to keep imposing restrictions on the citizens of our state . The recovery rate from Covid is similar to that of recovery rates of individuals in 2018 of cold and flus. There is no longer a need to keep upholding restrictions, when they only hinder individuals from working and living freely within this country.

Please do not allow the emergency bill to be extended. Thank you.

Kind regards,
Purwo Wibowo
