To whom it may concern,

I am writing to you to express my opinion in regards with the proposal of extending the Emergency Bill. I feel that there is no reason for the Emergency Bill to be extended as we, as a community, were asked to achieve a vaccination rate of 90%. This rate has been achieved and we as a state should be able to live our lives without any further restrictions or mandates. Please do not extend the Emergency Bill and allow all individuals to return to work without restrictions. Thank you.

Kind regards,  
Suliati Carlson
