Hi my name is Nicole. I am an Australian citizen I vote and pay taxes. I strongly disagree with and want you to reject the extension to the State of Emergency Bill. There is no state of emergency. The vaccines have harmed and killed many Australians. If you really cared about the citizens of Australia you will not extend the State of Emergency for Queensland. My job has been affected by this state of emergency and mandates that have been imposed on the Australian people. I ask, I beg that you do not extend the state of emergency in Qld.

Yours sincerely

Nicole Jensen
