Community Support & Services Committee

Dear Committee Secretary,

Re: Public Health and other Legislation (extension of expiring provisions) Amendment Bill 2022.

I do not support the extension of the above-named bill currently before your committee. The Queensland economy had been smashed, small businesses ruined, jobs lost and people's lives turned upside down, all in the name of Public Safety.

We have lost our right to free speech, the right to peaceful assembly, the right to work, freedom of conscience, bodily autonomy, government transparency and public trust in our institutions.

Make no mistake, I am paying attention to government mandates and restrictions and I won't forget the decisions that this government has made.

Do Not extend the Health Emergency.

Yours sincerely,

Mrs Elizabeth McLean
