Subject: NO EXTENSION TO STATE OF EMERGENCY BILL!!!!!!
Date: Thursday, 3 March 2022 3:20:18 PM

Dear Parliament,

Enough is enough... how could you even consider extending the state of emergency bill when Covid-19 is no longer an emergency!! Let Queenslander's (and the rest of Australia) get back to pre covid life..over 2 years is more than enough.. most of the state according to your statistics is double vaccinated and with Novavax being approved more and more will get vaccinated at their own accord.

How many protests do we need to hold before you LISTEN!!
There's elections coming up and if you want any chance of getting seats, now would be the time to LISTEN to the people!
Do the right thing, give us back our FREEDOM.

We aren't blind, we have watched 2 years of false data, fear mongering and corruption by the Government. Your pockets should be full enough by now.

I guarantee there will be an uproar if the state of emergency bill is extended!

Regards from an exhausted citizen,

Eva Slivka
