Subject: Extension to the emergency bill
Date: Thursday, 3 March 2022 3:21:08 PM

I strongly OPPOSE any extension to this emergency bill.

The threat of Covid has been overstated, the release of Pfizer documents in the USA confirms this.

There are studies being released that suggest the vaccines do indeed interfere with a person DNA.

<https://www.riotimesonline.com/brazil-news/modern-day-censorship/new-study-from-sweden-says-pfizer-mrna-does-indeed-integrate-into-your-dna/>

(Details of the study can be found via link at the bottom of the article)

The Australian people have become very divided of this “vaccine” and many families are experiencing financial hardship due to unnecessary mandates.
