My name is Vivienne Sinclair, [REDACTED]

I am requesting that the Government ceases the emergency with “pandemic” with no more extensions.

The people of Australia have had enough of this satanic and exaggerated drama with Covid data.

The people of Australia have had enough of the segregation in society

The people of Australia have had enough of the disharmony, disruption of families

The people of Australia have had enough of the deliberate loss of jobs and businesses

The people of Australia have had enough of losing their freedoms which our Veterans fought and died for

There is NO EMERGENCY
