From: Community Support and Services Committee To: AGAINST Emergency Bill extension Subject: Date: Thursday, 3 March 2022 3:46:27 PM > To the Committee Secretary > Community Support Services Committee > Parliament House > George Street > Brisbane QLD 4000 > > Dear Sir/Madam > As a voter, my will is that you vote AGAINST extending the emergency powers when the tabled proposal is debated in Parliament. > It would be an enormous over reach of power and totally unwarranted should this Bill be approved. The people of Queensland need to get back to living normal lives. It encroaches on our freedoms and civil liberties and gives the Government way to much power. > Sincerely > Wendy Ottley > >
