Subject: Deny - Extension to the Emergency Bill
Date: Thursday, 3 March 2022 4:01:38 PM

Please do not let the Extension to the Emergency Bill pass!

I do not want the Extension to the Emergency Bill to be granted because:

1. Covid19 Death rates are 0.09% of all recorded Covid19 cases – figures do not reflective of an emergency situation of imminent risk to health requiring urgent government intervention.

2. Individual Queenslanders should have the right to make their own decisions as to what happens to their bodies. As an emergency situation no longer exists, Queenslanders should have their ability to work restricted because they have chosen not to be vaccinated, particularly when vaccinations do not prevent transmission.
