Hello,

I am writing to express my position that I do not want an extension to the emergency bill. I am against an extension to the emergency bill.

I have seen segregation in schools, work places and even our street. Kids are being affected by this decision. The fear that has been installed in children and adults is disgusting. I know one family that has sold up their house and moved their family and kids far into the bush to get away. This has resulted in them being removed from their network and support.

I am against the bill extension on behalf of the children.

Kind regards,

Alan Macintyre
