Subject: NO EXTENSION TO EMERGENCY BILL
Date: Thursday, 3 March 2022 8:37:11 PM

Hi.

I am Sally Slatter of [REDACTED]

I do not want the Emergency Bill to be extended -there has been too much segregation, too much heartache, too many people are facing hardships because of the exaggerated Covid data and how this data has been used to shackle and bind the people who want to work.

I am sick of how this has been managed, I want my freedom back.

I want to be able to take my rightful place back in society less the jab that is in effective.

I am studying to further myself to help people and now because of the mandates around workers needing the jab or there is no job my study will be for naught.

NO MORE EMERGENCY BILL.
