Hi there,

The State of Emergency needs to end now!! It should of never been extended 3x over. This has gone on for way to long. It's wrecked Australian families, Australian jobs the Australian way of living and our economy. I have been coerced into being vaxxed and had to go against everything I believe and know to keep my job, since when isn't this just a basic human right and choice. FREEDOM OF CHOICE IS ALL WE WANT!!!

Thanks

Amy Forsyth
