Subject: Do not extend the Emergency Bill
Date: Thursday, 3 March 2022 9:19:28 PM

I am writing to state that I do not wish to see the Emergency Bill Extended. There is a gross exaggeration of Covid data, increased segregation in society, mental health issues and small business suffering greatly. We need to be allowed to operate our businesses and lives as normal without restriction, coercion and manipulation.

Thanks for listening to the people,

Benita May
