Subject: Objection to Extension to the Emergency Bill
Date: Thursday, 3 March 2022 9:33:59 PM

Dear Comittee,

I am against the Extension to the Emergency Bill until 31st October 2022 or any set date.

We as a family of 4 are demoralised, segregated, marginalised seperated. from social spaces. We as a family often enjoyed going out to restaurants and movies prior Covid-19 mandates.

My daughter who is turning 21 and found her first boyfriend can not go out to have romantic lunch, dinner without double Jab.

We can see compulsory masks has done nothing to date.

I urge you to remove mandates and /or any date extention. Please also stop any jabs. See reference links to Covid-19 below.

Please hear our voices and do the right thing.

Yours kindly
