To whom it may concern,

I am writing this email because I like many others, do not want an extension of Emergency Powers by the Qld Government. There is absolutely no need for it, the mandates all need to end. I am personally affected socially, emotionally, financially and mentally because of this Emergency Powers Bill. It must not be extended. There is no Emergency that warrants these powers be extended until October.

I write this in hope that it will not fall on deaf ears.

Kind regards,

Rebecca Armstrong
