Subject: Extension to the emergency bill
Date: Thursday, 3 March 2022 10:34:08 PM

Good evening.

I am bewildered at the fact that government time and taxpayer funds are being wasted to discuss this state of emergency. The exaggeration of covid data has been an overwhelming joke in regard to the government and their obvious motives. The fact that minimal people have died in the past two years, along with their average age and the obvious confusion of whether they have died 'with' or 'of' covid is a complete joke. To me, parliamentarians at a local, state and federal level have lost all credibility. It is obvious that they are not looking out for their constituents, nor are they wanting to continue their leadership. I will not be voting for Liberal, Labor or Greens in the up and coming election.

The segregation must stop. The government has introduced a severe and discriminatory two-tiered society, whereby the unvaccinated vs the vaccinated is now in existence. This is not what Australia stands for.

I DO NOT SUPPORT THAT EXTENSION OF THE EMERGENCY BILL THAT IS TO BE DISCUSSED TOMORROW, 4TH MARCH 2022.

Regards,
Angela Craze
