Subject: End the Emergency bill NOW
Date: Friday, 4 March 2022 4:53:03 AM

As a Queenslander and an Australian, I DO NOT support the bill or the extension of the state of emergency. The last 2 years has shown nothing but unnecessary restrictions on Australians and the “science” to justify these measures is contradictory in every way.

Those involved in the continuation of these measures will be held accountable not only to the people of Australia, but fo God himself. I do not consent.

Sherie Navin.
