Honourable Steve Andrews,

I'm writing in response to the state of emergency powers being extended. I'm writing with the intention of indicating to you that I oppose the bill. There is absolutely no need for an extension, and it is completely unnecessary for the state of QLD being that there is no state of emergency with the pandemic. It is concerning the level of power that the premier has with this bill and it is completely unacceptable. Please include my email in your submissions. My contact number is [REDACTED]

Kind Regards,
Michelle Hammel.
