Subject: Objection to extension of States Emergency Powers
Date: Friday, 4 March 2022 8:47:47 AM

Committee Secretary
Community Support and Services Committee
Parliament House
George Street
Brisbane Qld 4000

Good morning

My submission is very simple, I do not want any extension to the states emergency powers and would also want all Covid restrictions and mandates removed, with no more restrictions on anyone based on medical statues. Everyone is suitably informed on how to manage Covid for themselves and restrictions are doing nothing to slow the spread, but the restrictions are damaging peoples livelihoods, careers and activities.
