Subject: Public Health and other Legislation (Extension of Expiring Provisions) Amendment Bill 2022 (Bill)
Date: Friday, 4 March 2022 8:54:03 AM

To Whom it May Concern

I wish to object to the abovementioned Bill seeking to extend Queensland's State of Emergency.

There is no state of emergency and there is no justification in extending these powers past the current expiry date.

This is just another attempt to increase and extend your power and will lead to a further decline of democracy by giving you unreasonable control of our freedoms.

Society demands that you cease these power grabs. Enough is enough, end it now.

John Harding
