Subject: Extension of Emergency Health Orders
Date: Friday, 4 March 2022 10:05:55 AM

I do not support the extension of the Emergency Health Orders and believe all mandates and restrictions should be lifted and that there is no need to change or add any new legislation based on the current data. The government already has procedures to deal with the seasonal flu and I believe that covid can now be dealt with in a similar way with no additional requirements or extension required through Qld Parliament.
