Hello,

I am writing to you today about you extending the emergency act....

I see no reason to do this.

As your government has said many time if we do this .....etc. but the goal posts change. When are you all going to stop...

People have taken your advice and no either out of a job because they are sick or maimed . Have to loss their house can't pay mortgage etc....

We the people have had enough,

Thank you

Maureen Provis
