Dear Committee Secretary,

**RE: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS)  
AMENDMENT BILL 2022 (BILL)**

-  
I am writing today to advise that I do not support the Bill nor the extension of the state of emergency. Queensland was the first state to declare a state of emergency (SOE) on 29 January 2020. This means that if the SOE laws are extended from 30 April 2022 to 31 October 2022, Queenslanders will have been under a SOE for nearly three years. It is not necessary to extend the COVID Emergency Act as it is no longer the 'threat' it was purported to be by the State & Federal GOVERNMENT'S. Queenslanders need Business to go back to work, commence to reopen their doors and commence to rehire workers again  
...Over time the general population is going to learn the TRUTH behind THE COVID CONSPIRACY and the collusion between BIG PHARMA & GOVERNMENTS WORLD WIDE. If it weren't for the MEDIA STRANGLEHOLD in AUSTRALIA the TRUTH would have been reported at the beginning of this Planned and orchestrated Pandemic..... The TRUTH is being spread around the world by various alternate Media. NOTHING CAN STOP WHAT IS COMING and it's time these FAKE STATE OF EMERGENCIES ARE CANCELLED and NOT EXTENDED.....The people have had enough of the LIES AND it's time the CITIZENS of AUSTRALIA were allowed to be prescribed THERAPEUTICS like IVERMECTIN to combat any cases of the Covid Coronavirus FLU if they feel the need to use alternate medications and/or therapeutics For the State Government to even OUTLAW the use of THERAPEUTICS as a PERSONAL CHOICE was always very QUESTIONABLE indeed  
Why jab a population when a course of Ivermectin could CURE COVID WITHIN under 7 days. Was there deals done with large pharmaceutical companies to purchase millions of dollars of Vaccines (with Tax payer dollars) when it would have been much cheaper to prescribe Therapeutics for those infected with the FLU (Covid) ? Covid and INFLUENZA are both from the same family of viruses known as CORONA Viruses i.e. Common FLU

**The FEAR CAMPAIGN IS OVER – There is NO NEED to extend the State of Emergency**

**In the USA as of 03.03.2022 they have VOTED in FAVOUR to CANCEL the Covid NATIONAL STATE OF EMERGENCY:-  
It's time to do the same in QUEENSLAND AND AUSTRALIA**

Regards

**SHARON STEEDEN**

**\*\* MANDATES for WORK also need to be ABOLISHED.** Currently in many countries overseas MANDATES ARE BEING removed by the Court Systems particularly in the USA and their Defence Forces.

The UK NO LONGER supports MANDATES.

Mandates were never something that could be implemented by LAW!! MANDATES were only a SUGGESTION THEREFORE NOT LEGAL BY LAW to MANDATE Businesses that Workers be Vaccinated in order to be allowed to work It's time the Vaccine Passports were ABOLISHED (LIKE IN THE UK) so Queenslanders can go out to Pubs, Clubs and Restaurants without having to PROVE they are vaccinated that in itself is also ILLEGAL to enforce People should not have to prove nor SHOW their Medical History to ANYONE that is PRIVATE & CONFIDENTIAL INFORMATION
