Dear Members of Parliament,

I am writing to express that I DO NOT consent to an extension of the Emergency Bill.

An extension to the Bill would have a direct negative impact on my ability to maintain employment, ability to produce income, my quality of lifestyle and my mental health.

I Demand an end to the State of Emergency, an enquiry into the reporting of COVID-19 statistics with an accurate updated report to the general public.

Further to this, I Demand a lifting of restrictions unlawfully imposed of unvaccinated Australians.

Thank you.

Kind regards,

 Elisha Rashleigh
