Subject: NO TO EXTENDING HEALTH ORDERS
Date: Thursday, 3 March 2022 1:06:06 AM

DEAR CSSC

We the people do not want any Government to power to order emergency health orders to lock us down or mandate us ever again.

THIS ABUSE OF POWER must stop now.

AUSTRALIA is not a communist country yet we are being treated as one.

ENOUGH IS ENOUGH

We the people are begging for the Government to lift all emergency health orders any mandates asap.

OUR HUMAN RIGHTS AND FREEDOM OF CHOICE MUST NEVER EVER BE TAKEN AWAY FROM ANY AUSTRALIAN CITIZENS EVER AGAIN.

Thank you
