**Subject:** NO to the Extension to the Emergency Bill  
**Date:** Friday, 4 March 2022 11:15:41 AM

---

Good morning,

As a Queenslander, I DO NOT want the Extension to the Emergency Bill to pass.

My family and I have suffered with loss of work and education. We now face discrimination and loss of freedoms.

Two years is an overly long time for a pandemic.

Now is the time to remove these excessive powers from the government.

Janelle Hosking
