Dear Corrine McMillan,

RE: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS) AMENDMENT BILL 2022 (BILL)

As a member of your electorate, I am writing to advise that I **do not** support the Bill nor the extension of the state of emergency.

I do not support the passing of the Bill at all. Australia's COVID case fatality consistently and extremely low between 0% in 0-9 year old and 1.02% 90+ years old. Majority of the deaths are people with co-morbidities. The restriction measures have been proven over the last 2 years unsuccessful. The covid experimental vaccines are unsafe and ineffective. Please see TGA vaccine DEAN report for adverse reactions and deaths from covid vaccine.

If you wish to discuss this matter further, please do not hesitate to contact me per the below details.

Regards,

Li Tan
