Subject: No to extension of emergency powers bill

Dear all,

I strongly object to any Extension of the Emergency Bill.

The extension of powers is based on COVID deaths in Queensland and COVID numbers.

We are NOT in a medical emergency

Any extension is not warranted and should NOT be granted.

The potential for continued discrimination via these emergency powers is unacceptable to any democratic society.

The negatives of these mandates and the pressure it is placing on Queenslanders through lost jobs and a pressured healthcare system, far outweigh the negatives going forward. Particularly when it seems that many Queenslanders have had COVID-19, now have natural immunity, and according to the Government's own modelling the peak has now passed!

Sincerely
Catherine St Henry
