Subject: Extension of State of Emergency in Qld
Date: Friday, 4 March 2022 11:29:51 AM

To whom it may concern,

I would like to express my view that I do not agree with the bill to extend the State of Emergency in Qld until October.

At this stage we should be allowing; businesses to trade without restrictions, children and teenagers to have an uninterrupted education, employees to maintain their employment regardless of vaccine status and open all borders without quarantine requirements.

Any further extension would be deemed overzealous and unnecessary. If Qld can fend for themselves during last week's floods we can make our own health choices.

Thank you for your time,

Cailla Nasmyth
