To the Committee Secretary ,

RE: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS) AMENDMENT BILL 2022 (BILL)

I formally advise that I do not support the Bill nor the extension of the State of Emergency.

Queensland declared a state of emergency (SOE) on 29 January 2020.
Extending it now from 30 April 2022 to 31 October 2022, means that Queenslanders will have been under a SOE for nearly three years.

I could write you screeds as I am sure many will do

But the question is - Do you guys actually read them and take our information on board with a broad and balanced mind...
Or just discard the many of us out here who have now seen evidence and documentationof then on Government websites
Indicating that the Deaths in Vaccinated now exceed the Deaths in the UnVaccinated

There is more ...and more ...and more
But time does not permit.

I DO NOT SUPPORT THE BILL OR the Extension of the State of Emergency.

Yours faithfully
