Subject: Objection to the extension of expiring provisions

Good morning,

The purpose of this email is that I do NOT want an extension to the Emergency Bill (until 31st October 2022).

The reason that I do not wish for the extension is that: the current extension of emergency powers was based on COVID19 deaths in Queensland. I do not believe such powers need be extended as the burden on the health care system is not as dire as it was at that start of the pandemic.

Please consider my voice as a Queensland resident.

Kind regards,
Ben Conti
