Subject: Extension of Emergency Powers Bill
Date: Friday, 4 March 2022 11:55:28 AM

Please note that our family living in Queensland does not want the present Emergency Powers to be extended.

There is no emergency and the overreach of your government Powers has already wreaked havoc in our family with loss of employment and incomes, as well as stress and health issues due to your mandates and health directives poured on us by unelected bureaucrats... Do not extend these emergency powers any more!

Yours very sincerely,

Winston and Joy Broad
