Subject: Public Health and Other Legislation (Extension of Expiring Provisions) Amendment Bill 2022
Date: Friday, 4 March 2022 11:55:43 AM

Dear Members of the Queensland Parliament,

I wish to express my objection to any further extension to the Emergency Health Provisions. Queenslanders have been under so much stress during the past 2 years, with people losing jobs, homes, family members, friends and businesses. Not to mention the mental health issues and suicides. I feel that it is now time to stop this Emergency Health Provision and get on with life and accepting that we have Covid 19 and the strains and just live with it.

Enough is enough!

Hope this ends!

Christina Drury
