**Subject:** NO to extending the State of Emergency QLD  
**Date:** Friday, 4 March 2022 11:56:38 AM

---

Good morning

Please acknowledge my submission for review.

NO!!

NO to extending the State of Emergency!

NO to prolonging the mandates!

NO to government overreach!

Believe there to be no emergency and any push to extend this unnecessary act of the State of Emergency, has absolutely nothing to do with health. It is NOT an emergency anymore! Believe there is no justification for emergency powers or mandates. STOP this NOW!

Thankyou

Kind regards

M T Christensen
