Subject: Submission re Extension of Emergency Powers

To whom it may concern

As of midnight tonight masks do NOT need to be worn.

We now have Strometcol to treat Covid so there is NO health emergency in Queensland.

Therefore I STRONGLY object to the government extending the Emergency Powers.

As a government you are elected by the people for the people and all I have seen over the last 2 yrs is you making decisions that destroy hard working Queenslanders.

Queenslanders have done it tough over the last two years by the decisions you have made. We need our FREEDOMS back so we can make decisions for ourselves like we have done for 1000's of years. Freedom of choice is our GOD GIVEN RIGHT.

Again I EMPHATICALLY OBJECT to extension of emergency powers being extended.

Sincerely
Murrilyn Moller
