To my member of state government and all legislative members -
I hereby raise my strong objection to this amendment on the grounds of a medical emergency/pandemic in Queensland.

All data, including from demographic experts in the Australian Bureau of Statistics now prove beyond doubt that we have moved well away from any pandemic situation.

Abuse of power throughout the last years since March 2020 is NOT AUSTRALIAN AND FAR FROM DEMOCRATIC. It must stop.

Please vote against this amendment today in accordance with your constituents' wishes.
Thank you.
