Dear Committee Secretary,

RE: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS) AMENDMENT BILL 2022 (BILL)

I am writing to formally advise that I **do not** support the bill nor the extension to state of emergency.

I find it incredibly hard to believe that such an action has anything to do with public health and safety. We are consistently experiencing erosion of fundamental freedoms and increasing governmental control in all areas of life. After such an action, it would be hard to continue to describe our state as a democracy as it would begin to resemble North Korea more than what Australia (and Queensland) boasts to be.

I most strongly urge you to vote against this bill and prevent an extension to the state of emergency.

Regards,

Daniel Lanzon
