**Subject:** Extension of State of Emergency

Dear members of the committee making recommendations to parliament on the extension of the State of Emergency

Ms Corrine McMillan, Member for Mansfield (Chair) [mansfield@parliament.qld.gov.au](mailto:mansfield@parliament.qld.gov.au)

Mr Stephen Bennett, Member for Burnett (Deputy Chair) [burnett@parliament.qld.gov.au](mailto:burnett@parliament.qld.gov.au)

Mr Michael Berkman, Member for Maiwar [maiwar@parliament.qld.gov.au](mailto:maiwar@parliament.qld.gov.au)

Mr Jon Krause, Member for Scenic Rim [scenicrim@parliament.qld.gov.au](mailto:scenicrim@parliament.qld.gov.au)

Ms Cynthia Lui, Member for Cook [cook@parliament.qld.gov.au](mailto:cook@parliament.qld.gov.au)

Mr Robert Skelton, Member for Nicklin [nicklin@parliament.qld.gov.au](mailto:nicklin@parliament.qld.gov.au)

It is my will that this State of Emergency is ended now.

There is no longer an emergency regarding Covid 19. We are all living with it without any excess in the normal death rates or undue ICU admissions.

Queensland is opening up for domestic and international tourism, being in a state of emergency is counter productive to this endeavour.

Waiting for a new variant to appear is a what if question with no basis in reality. It is like should we live in a state of emergency because an asteroid could hit us in the future.

It is time for all Queensland residents to return to their business of living without unnecessary restrictions. We need to return to building productive and useful lives working together not divided by unnecessary restrictions.

Kind regards

Robert Ashley Holliday
