Hi there all in the Parliament
Especially to our MP Anna

I my eyes it's time to stop all the Mandates vaccination, masks, quarantine, lockdowns and so on.

Have we all not suffered enough with all the Covid-19 stuff already and to mention how many loved ones, kids, parents, friends and community members have lost their lives just because of a vaccine that is not even doing its job as you all know by know or have known a long time ago. How many more injuries do you want from the vax! Is it not enough now?!!!....And now we suffer again with all the floods again.

I am just telling you know we are awake.

STOP IT ALL KNOW IT'S ENOUGH AND WE ALL HAD ENOUGH.

Regards
