Dear Community Support and Services Committee,  
I do not support the extension of the state of emergency or the Public Health and other Legislation (Extension of Expiring Provisions) Amendment Bill of 2022.

Because the pandemic is no longer an actual life threatening situation, it's time that true democratic process was restored. I want my freedom and civil liberties back.

Do NOT extend the State of Emergency!

Do NOT extend ANY Covid-related Public Health Legislation!

Let us get on with life. We have suffered enough.

Thank you.

Kind Regards,  
Anne Jensen
