Subject: Vote against extension of State of Emergency bill

To Whom it May concern,

I pray that you will vote against the extension of state of emergency bill. I strongly advise that there was never a legitimate reason to implement a state of emergency in Qld and the politicians and health beaurocrats are treasonous power hungry actors who are not making decisions based on what is best for the people. It is our inalienable right to be able to move freely and safely and to breathe fresh air.

Yours faithfully
